Part-Time Research Assistant

The Department of Land Economy is seeking to appoint one part-time Research Assistant (RA) to work for the ESRC-NSFC research project under the title *Nudging Towards a Better Financial Future: Applying Behavioural Insights in the Development of Financial Systems in Rural China.*

**Job descriptions:**

- write up results of research in both Chinese and English;
- contribute to the production of research reports and publications;
- post and update information on research progress and outcomes at the project website;
- make internal and external contacts to develop knowledge and understanding and form relationships for future collaboration (e.g., providing administrative support to the organisation of symposiums, conferences or seminars)

**Work hours:** Flexible on Monday through Sunday. The RA is expected to work about 20 hours per week although the actual hours can vary.

**Expect duration:** Six months

**Hourly rate:** £14.59 per hour

**Start date:** 15 January 2019 or as soon as possible thereafter

The post would enable an early career researcher to gain experience in several interlinked disciplines, including management, behavioural economics and labour economics. We also encourage you to think outside the box and develop new studies based on our unique database. Contract extension will be considered for excellent assistance.
