The Cambridge Centre for Environment, Energy, and Natural Resource Governance (CEENRG) is hosting a weekly seminar series throughout the 2016-2017 academic year. These are informal and friendly talks allowing discussion of on-going work for PhD students, early career and senior researchers. Seminars take place every Thursday, 1-2pm. The presenter is expected to speak for 20-30 mins to allow substantial time for discussion. The talks are followed by a coffee break (coffee and nibbles provided) in the Common Room of the David Attenborough Building (DAB). <https://map.cam.ac.uk/David+Attenborough+Building+%28formerly+Arup+Building%29#52.203566,0.120423,18>
