

## Department of Land Economy Mentoring Scheme

Chris Goldsmith  
Managing Director and Founder  
Turnstone Estates  
Cambridge, UK

Established in 1989, Turnstone has since grown to be one of the most active developers of commercial property and promoters of land in the East of England. Projects undertaken or underway include:

- Development of the Hauser Forum with the University of Cambridge on their West Cambridge site
- Delivery of the new Maurice Wilkes office building for St John's College, Cambridge on their Innovation Park
- Numerous other Office development projects in Cambridge
- Retail warehousing schemes in Kettering and King's Lynn
- New County Court buildings in Cambridge and Chelmsford
- Major commercial leisure centre in Cambridge in conjunction with Cambridge City Council
- Other cinema led leisure developments in St Neots, Ely, Colchester and Southend in partnership with the local authorities for each
- Various other leisure schemes in the eastern region
- Student accommodation and residential project in Cambridge with Peterhouse, College
- Promotion of a major new settlement to the north of Cambridge with St John's College and Royal London and submission of planning for 4,500 home phase
