Giles King

CEO

Mayfair Capital

London, UK

Giles joined Mayfair Capital in 2018 and became the CEO in January 2021. He is a member of the Swiss Life Asset Managers, Management Committee Real Estate, the UK Executive Board and the UK Investment Risk Committee.

Giles joined from Westmount Real Estate, a boutique real estate investment and asset management company he co-founded five years ago. He has worked in the real estate industry for over 30 years and prior to Westmount, he was Head of Investor Relations EMEA for CBRE Global Investors and part of its four-strong EMEA Executive Committee. He also ran the CBRE Global Investors UK business between 2008 and 2011 and was a member of their Global Executive Committee from 2009 to 2011.

During his career he has managed both UK discretionary and advisory pension fund mandates and run commingled UK value-add funds for a range of US and European institutional investors.
