

Department of Land Economy Mentoring Scheme

Lucy Wood

Director of the Infrastructure & Environmental Planning Team

Barton Willmore

Lucy is a Director of the Infrastructure & Environmental Planning Team at Barton Willmore. She has over 15 years' experience of advising on environmental, socio-economic, health/wellbeing and sustainability issues for the consenting of major development. Lucy's career spans environmental consultancy and planning, giving a unique perspective and understanding of technical, commercial and planning issues. She is a Chartered Environmentalist, Registered EIA Practitioner and Full Member of the Institute of Environmental Management and Assessment (IEMA) and Associate Town Planner of the RTPI. Lucy speaks at conferences on topics including climate change, corporate sustainability, EIA for major infrastructure projects and health impact assessment. Lucy is a mentor for Cambridge University masters students and for the Mount Anvil/Mayor of London "Movers and Makers" progress. She is passionate about recruiting and developing a diverse pool of talent and is developing Barton Willmore's company's graduate and apprenticeship programme.
