Tom Pope is a Portfolio Manager within the European Real Estate Investment Team at the Abu Dhabi Investment Authority (ADIA).

Since joining ADIA in 2012, Tom has been responsible for asset management and transaction activity across multiple geographies including the UK, Netherlands and Ireland. This activity has spanned a number of real estate sectors including residential, industrial, retail, office and data centres.

Prior to joining ADIA, Tom was a Senior Associate at Silverpeak Real Estate Partners, based in London, where he was responsible for the asset management of real estate investments across Europe including the UK, Germany and Poland.

Tom received a BSc. (Hons) from the University of Bristol, a postgraduate Diploma in Management Studies from Cambridge University and is a CFA Charterholder.
